

Infant Swimming Resource

INSTRUCTED BY KRISTEN REYES

ENROLLMENT/PAYMENT POLICY

The weekly fee of **\$110** is due on Monday for that week regardless of rain days or cancellations. Any lessons that I have to cancel will be credited to your account. I accept cash or checks. Make checks payable to Kristen Reyes. If you leave cash, please make sure to let me know and have it in an envelope with your child's name on it.

While your child is enrolled in ISR Survival swim lessons, you have reserved a specific time slot on my schedule. New students will have a **guaranteed 8 weeks** on my schedule if needed. If your child needs more time because of multiple missed lessons due to illness or travel and I can't rearrange my schedule, then you will have to be worked back in where openings are available. I generally have a waiting list of other students whose parents are anxious to begin lessons. As with daycare, and other extra curricular activities, you are obligated to pay your child's weekly fee regardless of his/her participation. If I know in advance of vacations/absences, I will try to fill your timeslot with other students needing refresher or maintenance lessons. If you or your child has an appointment or obligation that will interfere with your lesson time, let me know and I will try to set up an alternate time for your child to have a lesson on that day. Please try to schedule appointments so as not to interrupt the consistency of your child's lesson time.

Always assume lessons are being held unless I notify you otherwise. It may be raining at your house and not at the pool. Please make sure that I have a number to reach you while you are in route.

Your lesson timeslot is very short, and I have lessons scheduled promptly. Please arrive a few minutes early so that your child is ready to enter the water when the lesson ahead of yours is finished. If you are late, I will do my best to work your child back into my schedule.

I have read and agree to this Enrollment/payment policy.
